

OPEN CALL FOR EXPRESSION OF INTEREST TO SELECT POTENTIAL BUYERS FOR A
PORTFOLIO OF FUND INTERESTS
PROJECT "EAST-17"
(Published on 21/04/2017)

The objective of this open call for expression of interest (the "**Call**"), launched by the European Investment Fund ("**EIF**"), is to select potential buyers of a portfolio of fund interests, as further described below.

All applications to be submitted to the EIF should conform to this Call.

In addition to this explanatory document, the Call contains the following documents:

- Annex I: Expression of interest to be completed by applicants, including Appendices 1 and 2;
- Annex II: Selection Criteria.

1. Introduction

This initiative refers to EIF's goal to proactively manage its portfolio of fund interests. EIF is invested in approximately 600 Private Equity funds and has decided to conduct secondary sales of fund portfolios from time to time in order to maintain the size of EIF's portfolio at a manageable framework as well as to contribute to an increased liquidity in the market.

2. Secondary portfolio sale

EIF intends to offer for sale a portfolio of fund interests in European venture capital and private equity funds of vintages 2011 and older with a general focus on Small and Medium-sized Enterprises based in the EU, comprising between 20 and 30 funds, with an aggregated net asset value ("**NAV**") in the range of EUR 150m to EUR 250m, (the "**Portfolio**"). The Portfolio is divided into two sub-portfolios: one composed of venture capital ("**VC**") funds and one composed of mid-market ("**LMM**") private equity funds.

3. Eligible Financial Intermediaries

This Call is addressed to bodies or firms, whether public or private, which are professional, institutionalized and experienced players in the secondary market and complying with all applicable requirements set out in this Call ("**Financial Intermediaries**").

The EIF will select one or more Financial Intermediaries to receive, after signature of a non-disclosure agreement, further information about the Portfolio and to be invited to submit an indicative offer in accordance with the procedure described below in section 7. Such selection of Financial Intermediaries will be made **according to the selection criteria set out in this Call**.

Financial Intermediaries must comply with relevant standards and applicable legislation on the prevention of money laundering, the fight against terrorism and tax fraud to which they may be subject

and may not be incorporated in any Non-Compliant Jurisdiction.

Financial Intermediaries must acknowledge the EIF Anti-Fraud Policy which sets out the policy of EIF for preventing and deterring corruption, fraud, collusion, coercion, obstruction, money laundering and terrorist financing (please refer to http://www.eif.org/news_centre/publications/anti_fraud_policy.htm?lang=-en) and must take appropriate measures to facilitate the implementation of such policy.

The acknowledgement of receipt does not constitute a declaration of completeness of the Expression of Interest and the documents submitted therewith, nor any other kind of assessment or acceptance of the same.

The expiry of the Deadline shall not prevent EIF, in limited cases if deemed necessary, from requesting and receiving from Applicants clarifications on issues of a mere technical or formal nature, *provided that* such clarifications shall neither provide an opportunity to the respective Applicants to unduly improve their applications nor otherwise distort the competition between the Applicants.

7. Selection process

Applicants will be selected on the basis of EIF's policies, rules and procedures and in conformity with best practices with an open, transparent, proportionate, non-discriminatory and objective selection procedure, avoiding conflicts of interest, taking into account the criteria and principles underpinning the program and the experience and financial capacity of the Applicants.

7.1 Evaluation of Expression of Interests

In a first step, the EIF will evaluate the Expression of Interests on the basis of the Eligibility Criteria (as further described in section 7.1.1) and the Quality Assessment Criteria (as further described in section 7.1.2). No confidential information about the Portfolio will be disclosed at such stage.

As a result of such process, selected Applicants will be invited to sign a non-disclosure agreement with EIF to be able to receive further information about the Portfolio (e.g. name of fund, vintage, commitment of EIF, NAV) in order to submit an indicative offer.

Expressions of Interest will be evaluated by the EIF on a comparative basis, in accordance with the Selection Criteria set out in Annex II, and the selection decision will be made after the Deadline.

7.1.1 Eligibility Criteria

EIF will assess whether the Expression of Interest complies with the provisions of this Call and

whether all required representations, information and supporting documentation required thereunder have been provided (in the form requested, where specified).

The Expressions of Interest that do not conform to the Eligibility Criteria as set out in Annex II are rejected. In case of joint Expressions of Interest, if the Applicant or any Participating Entity does not comply with the Eligibility Criteria, the entire Expression of Interest is rejected.

7.1.2 Quality Assessment Criteria

Subject to a successful assessment of the Eligibility Criteria and after having obtained any additional information or clarifications from Applicants, if and as needed, the EIF will perform a quality assessment of the Applicants (and each Participating Entities in case of joint Expressions of Interest) according to the criteria set out in Annex II.

During the quality assessment phase, EIF will evaluate the overall quality of the Expression of Interest under competitive terms with a view to potentially select several Applicants. All criteria listed under Annex II are assessed at the sole discretion of EIF, giving a pre-defined weight to each one of these criteria.

All Applicants will receive a notification about the result of the evaluation process.

EIF will send a rejection notice to Applicants whose Expression of Interest was rejected during any stage of the evaluation process. EIF may, but will not be obliged to, provide reasons of such rejection.

Those Applicants whose Expression of Interest is rejected shall have the right to submit a written complaint within thirty (30) days of receipt of the rejection notice. Any complaints will be dealt within the framework and in accordance with the EIB Group complaints policy (for further information visit http://www.eif.org/news_centre/publications/2009_Complaints_Mechanism_Policy.htm). 7.2 Further steps

7.2.1 Invitation to submit an offer

Following the evaluation of Expression of Interests as per section 7.1 above, the selected Applicants will be requested to sign a non-disclosure agreement with EIF as a pre-condition to receive further information about the Portfolio and will be invited to submit an indicative offer. The basis and instructions to submit such indicative offer will be made available in due course to the Applicants that are invited to submit the indicative offer.

Thereafter EIF will choose, based on pre-defined criteria, whether to shortlist Applicants that have submitted an indicative offer as potential purchasers of the Portfolio and to invite them to participate in the next phase of the selection process, i.e. including access to a data-room providing further information about the funds, in order to submit a final, binding offer. The basis and instructions to submit such binding offer will be made available in due course to Applicants that are invited to submit the binding offer.

7.2.2 Negotiations of a sale and purchase agreement

Thereafter EIF will choose, based on pre-defined criteria, the preferred Applicant(s) to negotiate a sale and purchase agreement. The contractual negotiation process is not concluded until EIF and the buyer have agreed on all relevant terms and conditions.

In any phase of the selection process before entering into a legally binding agreement with an Applicant, EIF may place Applicants on a reserve list for further consideration in the future.

In any phase of the selection process before entering into a legally binding agreement with an Applicant, EIF reserves full discretion to consider or not Applicants (and Participating Entities, in case of joint Expressions of Interest) and no Applicant or Participating Entity has any claim or other right or may expect to be ultimately selected as potential buyer of the Portfolio. Negotiations of the terms and conditions of any sale and purchase agreement entail by no means any obligation for EIF to enter into such sale and purchase agreement with the relevant Applicants.

EIF may suspend or abandon the selection process at any time in its full discretion and no Applicant may claim any right to be selected or included on the reserve list.

8. Data Protection

All Applicants are identified through an appropriate Know-Your-Customer process in line with the EIB Group Anti-Money Laundering and Combating Financing of Terrorism Framework and the Regulations applicable from time to time.

EIF is committed to processing any personal data the Applicants share in the context of (including but not limited to) their application to EIF Calls for Expression of Interest in line with its Data Protection Statement published on the EIF website (http://www.eif.org/what_we_do/index.htm).
